**From the Text:** The study of the 1917 ‘revolution’ and the subsequent Bolshevik rule over Russia is useful in understanding today’s world, not least because the Russia of today is still recovering from the events of a century ago. Putin is forced to play a shrewd game to remain in power, he must deal with the Zionists both internally, in the form of various Jewish oligarchs, and externally, primarily in Israel but also in the US.

*Everything fought for by American Jews over the last century will disappear in days. g*

"It is the artist who realizes that there is a supreme force above him and works gladly away as a small apprentice under God's heaven."

~Aleksandr Solzhenitsyn

Thus far, Putin has managed to survive and this has been to the great benefit of the Russian people and also to the rest of the world. We can only hope that Putin and other leaders are able to oppose the Zionist agenda in the future as right now, it appears that agenda is enjoying quite a lot of success with the installation of Trump and the BREXIT debacle destabilising and potentially destroying the European Union.

Talmudism, Marxism, Bolshevism, Communism, and now Trumpism, all the same thing, just given a new coat of paint from time to time. **lan]**

**“We will impose upon them such a tyranny that was never dreamt by the most hideous despots of the East.” - Leon Trotsky**

**“Talmudism is Communism.” - Antichrist Conspiracy by Edward Hendrie**

**“Some call it Marxism I call it Judaism.” - Rabbi S. Wise, 1935**

Family genealogy can be full of surprises. It was for Stuart Kahane

**[ Editor's Note 2** - The solidness of the history on the “birth of communism” is the main reason it is never discussed much these days, because of the over representation of Jews when they were such a small part of the population. A close look reveals one of the early major successes of Fake News, the wonderful new tag we have for the ongoing scourge.

My education on it was a random event, reading the Wolf of the Kremlin, about Lazar Kaganovich, who survived all the purges, and one day opened his apartment door his nephew from America, Stuart Kahane, who had hunted down his mass murdering uncle, and actually was able to interview him extensively for the book.

You can find it used on Amazon and I highly recommend grabbing these low priced ones while they are still available. Kaganovich actually married into the Stalin family, his brother-in-law, something that probably contributed to his longevity, when those around him were dropping like flies as Stalin “preemptively” eliminated those that “could” be a threat.

***While best known for his starving of the Ukrainian peasants by confiscating their grain stocks to feed the city populations, Kaganovich was also famous for things like reducing railroad accidents simply by decreeing that the heads of any divisions where wrecks were occurring***

**would be held “personally responsible”**. Kaganovich married Stalin’s sister, Rosa, which probably saved his life

**No one asked what that meant**, exactly. No one had to. Losses due to train accidents went down like 90% in 90 days, and some open positions became available for aspiring railroad executives.

The days when I could read books, had the time to, are a distant memory. The motivation was preparing to do a lot of Heritage TV work on a wide variety of material where I saw little hard core historical work was being done on local Public TV here in Atlanta, but I felt the shelf life of the historical material would be a lot longer, and I was right there.

The resource has been great because I used the yellow highlighter extensively to make important quotes easier to find, and then dogearing the pages where the best ones were. It really helped me find them quickly when needed for the show introduction commentaries in which I used them.

Later they became a resource for internet writing, and then of course VT, as the readership desire to find websites with deeper background material versus those focusing on current news only for the easier copy and paste mechanics went them our way... [Jim W. Dean](#) ]

Jews and Bolshevism

***From Let My People Go, Empirical Publications, Northern Ireland c. 1976. Authorship unknown.***

***“CONTRARY TO WHAT SO MANY GOOD PEOPLE - OUT OF SHEER TERROR OF ‘COMMUNISM’ - THINK, CAPITALISM IS NOT ‘FREE ENTERPRISE,’ AN INCENTIVE FOR SUCCESS, ‘A CHANCE FOR ALL.’ CAPITALISM IS TRUSTS, SPECULATION, PARASITICAL USURY. CAPITALISM IS J. P. MORGAN, ROTHSCHILD’S BANK, RIPPING APART THE NATIONS LIKE MADDENED SWINE. CAPITALISM IS THE JEWISH FRYING PAN IN WHICH CULTURE IS RENDERED DOWN TO THE GREASE OF MONEY. FOLLOWING IT, AS THE NIGHT TO DAY, IS THE THRICE HOTTER JEWISH FIRE OF ‘COMMUNISM.’” WILLIAM STRIKER***

Amongst themselves, the Jews are quite candid about their sympathy for and involvement in Bolshevism.

On 4 April 1919 the Jewish Chronicle: “There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism.” (Perhaps this explains why the Red Army uses a Jewish star as its symbol?) In 1949, Jacob Schiff’s grandson, John Schiff, was quoted as stating that Jacob Schiff invested “about \$20,000,000” in the Russian Revolution. (Cholly Knickerbocker

column, New York Journal American, February 3, 1949.) That \$20,000,000 would easily equal \$400,000,000 in today's dollars.

**Probably the best-known exposé of the Jewish role** in the Bolshevik coup d'état was by Sir Winston Churchill, writing in the Illustrated Sunday Herald of 8 February 1920. Churchill wrote "With the notable exception of Lenin, the majority of leading figures are Jews. Moreover the principal inspiration and the driving power comes from Jewish leaders."

Communism was of course founded by Karl Marx whose grandfather was a rabbi by the name of Mordecai. Marx was given his initial encouragement by a Communist-Zionist by the name of Moses Hess. As founder and editor of the Rheinische Zeitung, the main organ of leftist thought in Germany, he provided Karl Marx with his first important platform. Later, in Brussels, he collaborated with Marx on The German Ideology. It was Hess too who converted to Communism Friedrich Engels, the wealthy textiles magnate who later subsidised Marx from the profits of sweated labour in Britain and Germany.

When the Bolsheviks overthrew the short-lived democratic government in Moscow and St. Petersburg in October 1917, it was a virtual Jewish coup d'état. The most prominent Jewish Commissar was Trotsky, real name Bronstein. He had been married by a rabbi in 1900, and whilst in exile in New York he had worked for Novy Mir, described in the Church Times (23 January 1925) as a "Yiddish newspaper."

The various reporters and diplomats who were there at the time of the "Revolution" have given evidence as to its Jewish nature.

The widow of the Guardian's correspondent Mrs. Ariadna Tyrkova-Williams wrote:

***"IN THE SOVIET REPUBLIC ALL THE COMMITTEES AND COMMISSARIES WERE FILLED WITH JEWS."***

The most detailed description of Jewish influence in the Bolshevik 'revolution comes from Robert Wilton, the Russian correspondent of The Times. In 1920 he published a book in French, Les Derniers Jours des Romanofs, which gave the racial background of all the members of the Soviet government. (This does not appear in the later English translation, for some odd reason.) After the publication of this monumental work, Wilton was ostracised by the press, and he died in poverty in 1925. He reported that the Central Committee of the Bolshevik Party was made up as follows:

Although Lenin is described as a “Russian,” in fact he was a mixture of various nationalities. It is likely that he was one-quarter Russian, one-quarter German, one-quarter Jewish and at least one-quarter Kalmuck (Mongol), which accounts for his Mongol appearance. Various authorities allege that his wife, Nadezhda Krupskaya was a Jewess and that her family spoke Yiddish in the home.

A report sent to the British government in 1918 by Mr. Oudendyke, the Dutch consul in St. Petersburg, said that "Bolshevism is organised and worked by Jews." The report was included in a pamphlet published as a government White Paper in April 1919 entitled Russia No. 1 (1919) A Collection of Reports on Bolshevism in Russia. However, the pamphlet was quickly withdrawn and reissued with various excisions and alterations made.

In the War Records Division of the United States National Archives there is filed a report from an American Intelligence operative in St. Petersburg. Under Record Group 20; Records of the American Expeditionary Forces Capt. Montgomery Schuyler, G2 Intelligence wrote, "The Bolshevik movement is and has been since its beginning, guided and controlled by Russian Jews of the greasiest type."

Also in the U.S. National Archives are two telegrams sent by American diplomats in Russia. State Department document 861.00/1757 sent on 2 May 1918 by U.S. Consul Summers in Moscow relates, "Jews predominant in local Soviet government, anti-Jewish feeling growing among population." Document 861.00/2205 from Consul Caldwell in Vladivostock on 5 July 1918 describes, "Fifty per cent of Soviet government in each town consists of Jews of worst type."

In January, 1924, Lenin died from causes variously described as 'a heart attack,' brain hemorrhage' and 'syphilis.' His comrades immediately began fighting amongst themselves to see who was to become his successor.

***A RELATIVE OUTSIDER, JOSEPH STALIN, CAME TO THE FORE AND PURGED ALL COMPETITION EITHER BY EXILING OR EXECUTING THEM. SINCE STALIN WAS NOT JEWISH, YET NEARLY ALL HIS OPPONENTS WERE, IT IS OFTEN SUGGESTED THAT STALIN WAS ANTI-SEMITIC.***

This is far from the truth.

Stalin had three wives, all of them Jewesses. The first was Ekaterina Svanidze who bore him one son, Jacob. His second wife was Kadya Allevijah. She bore him a son Vassili and a daughter Svetlana. His second wife died in mysterious circumstances, either by committing suicide or murdered by Stalin. His third wife was Rosa Kaganovich, the sister of Lazar Kaganovich, the head of Soviet

industry. Stalin's daughter (who in 1967 fled to the USA) then married Lazar's son Mihail i.e. her step-mother's nephew. Svetlana Stalin had a total of four husbands, three of them Jewish.

Stalin's vice-president Molotov was also married to a Jewess, whose brother, Sam Karp, runs an export business in Connecticut. Just to complicate things even more, the Molotov's (half-Jewish) daughter also called Svetlana was engaged to be married to Stalin's son Vassili.

After the death of Stalin, his successors kept up the tradition, for a report in the B'nai B'rith Messenger relates: "To show that Russia treats its Jews well, Soviet Premier Nikita Krushchev this week remarked at a reception at the Polish Embassy that not only he himself and Soviet President Klementi Voroshilov, but also half the members of the Praesidium have Jewish wives. Mr. Krushchev made this remark to Israeli Ambassador Joseph Avidar, who was amongst the guests." (Krushchev's wife was yet another Kaganovitch.)

According to a report in The Canadian Jewish News of 13 November 1964 the present Soviet boss Leonid Brezhnev is married to a Jewess, and his children are brought up as Jews. There are a number of prominent Jews in the Soviet government, including Dimitri Dymshits in charge of industry, Lev Shapiro regional secretary of Birobidjan, and Yuri Andropov in charge of the secret police, the KGB. In fact, every secret police chief in Soviet history has been a Jew, from the first Uritsky to the most recent, the murderous Beria. A Jew is also in charge of the Soviet economy - Leonid Kantorovich.

***IT IS A WELL-KNOWN FACT THAT THE BOLSHEVIKS WERE AND ARE FINANCED BY JEWISH INTERESTS IN THE WEST.***

At a Bolshevik celebration rally in New York's Carnegie Hall on the night of 23 March 1917, a telegram of support from Jacob Schiff of Kuhn, Loeb & Co. was read out. The telegram was reprinted in the next morning's New York Times. Schiff later tried to deny his involvement, but thirty years later his grandson John admitted in the New York Journal-American (3 February 1949) that the old man had sunk twenty million dollars into the Bolshevik cause.

Another Western banker who poured funds into Bolshevik Russia was Olaf Ashberg of the Stockholm Nya Banken. He remained the Soviets' paymaster until the late 1940s. The London Evening Standard of 6 September 1948 reported a visit by Ashberg to Switzerland "for secret meetings with Swiss government officials and banking executives. Diplomatic circles describe Mr. Ashberg as the 'Soviet banker' who advanced large sums to Lenin and Trotsky in 1917. At the time of the revolution, Mr. Ashberg gave Trotsky money to form and equip the first unit of the Red Army."

The Bolsheviks also received assistance from Armand Hammer, who still commutes back and forward between New York and Moscow to take care of his business interests in both communities. Hammer's Occidental Oil Company is at

the moment building a 1600 mile chemicals pipeline in southern Russia. He is also on such good terms with the Soviets that he personally arranges for Soviet art galleries to lend paintings to America.

Another American-based businessman to help out the Soviet economy is Michael Fribourg, who owns the massive Continental Grain Company. Together with the Louis Dreyfus Corporation, these Jewish speculators were able to buy up vast quantities of cheap American grain in 1972, sell it to the Soviets at a vast profit, and collect an export subsidy from the U.S. taxpayer.

In every other East European country, it is exactly the same story:

In Hungary a Communist revolution was staged in 1919, instigated by the Jew Bela Kun (Cohen). During the three month regime, the country was turned upside down in a reign of murder and terror. Here again, the government was composed almost entirely of Jews. And it was this factor which brought about the regime's downfall, as the ordinary Hungarians detested Jewish dictatorship. Kun was deposed and fled to the Soviet Union, where he became chief of the secret police, the Cheka, in southern Russia.

It was not until 1945 that the Jews were able to regain control. Three Russian Jews were installed as the ruling triumvirate, Matyas Rakosi (Rosencranz), Erno Gero (Singer) and Zoltan Vas. Both Rakosi and Gero had been members of Kun's bloody government.

In Germany, the Jews also tried to take over there in the chaos that followed the First World War. Aided by funds from the Soviet Ambassador Joffe, Rosa Luxemburg's Spartacus Bund attempted to overthrow the government. The revolt was quelled and its leaders Luxemburg and Karl Liebknecht executed.

The post-war dictator of Roumania, Anna Pauker, was the daughter of a Bucharest kosher butcher. For a time she earned her living teaching Hebrew. her father and brother now live in Israel.

Although Tito was the only non-Jewish dictator behind the Iron Curtain in the late 1940s, he was tutored by the Jew Mosa Pijade. According to John Gunther in Behind the Iron Curtain, "He is Tito's mentor... Whatever ideological structure Tito may have, he got it from the shrewd old man."

Moscow's puppet government in Czechoslovakia in the late 1940s was run by another Jew, Rudolph Slansky.

In Poland too, Jews occupied virtually every position of authority in the post-war Communist regime. Prominent among these were Minc, Skryesewski, Modzelewski and Berman. Jacob Berman gradually eclipsed the others until he became supreme dictator by himself. Also, Gomulka's wife was a Jewess.

Even in China, Soviet Jews were at work helping Mao Tse Tung. High up in the Political Department of the Red Army in China were W. N. Levitshev and J. B. Gamarnik."
